

## **Job Title: Contemporary Dancers**

**Location:** Lagos, Nigeria

**Dance Level:** Advanced

**Age Requirement:** 18-35 years

### **Job Overview:**

Mavin Records is looking for talented **Contemporary Dancers** to join our team for various creative projects, including music videos, concerts, and high-profile events. We seek dancers who are well-versed in contemporary styles and able to interpret music emotionally while displaying technical excellence. This position is suited for dancers who enjoy the fusion of classical and modern dance movements and are passionate about storytelling through their performances.

### **Responsibilities:**

- Execute contemporary dance routines for music videos, live performances, and special Mavin events.
- Collaborate closely with choreographers and other dancers to achieve artistic direction.
- Interpret music in an expressive, creative manner while maintaining technical precision.
- Participate in regular rehearsals to fine-tune choreography and adapt to the evolving needs of performances.
- Provide creative input for enhancing choreography in line with Mavin Records' artistic vision.

### **Requirements:**

- Age: 18-35 years.
- Professional training in contemporary dance styles (minimum 3 years).
- Strong understanding of modern dance techniques, with a blend of ballet, jazz, and improvisation.
- Experience in live performances, theater, or music video productions.
- Excellent coordination, rhythm, and the ability to convey emotion through dance.
- Willingness to learn new choreography quickly and adapt to diverse artistic directions.

**Location:**

Lagos, Nigeria (with potential travel for performances).
